EVENTUS INTERNATIONAL ANNOUNCES VENUE FOR THE CYPRUS GAMING SHOW SECOND INSTALLMENT

After the success of the first Cyprus Gaming Show (CGS) in 2017, Eventus International is happy to announce the venue for the second instalment of the Cyprus Gaming Show at the GrandResort Hotel, Limassol, Cyprus with the conference dates scheduled for the 29th & 30th of May 2018. The GrandResort is among the finest five-star hotels in Cyprus set in beautifully landscaped tropical gardens, on a superb beach side location in the exclusive Amathus area of Limassol.

CGS has already established itself in the market as the first gaming event bringing the online and offline gaming sectors together with focus on Cyprus as a prospective regional gaming centre. With this year's agenda designed to explore on various topics like navigating the current regulations landscape in Cyprus and the future of the gaming market in Cyprus, and looking at Cyprus as a dynamic business & investment centre and diving into the evolving tax structure; Eventus International is all set to host this thrilling event once again at a new exquisite location!

An exceptionally grand and elegant hotel about 11 km from Limassol town center, the luxurious GrandResort offers an impressive range of facilities and an unrivalled standard of personal service and sheer comfort. An attractive indoor atrium lined with impressive hanging gardens and lavish furnishings is a delightful feature, while the magnificent grounds include a tranquil free-form outdoor swimming pool on the edge of a sandy beach near the ancient kingdom of Amathus. The hotel offers superior accommodation with quality amenities and first class service. The hotel is set in over 20,000 square meters of beautifully landscaped garden with exotic trees and sub-tropical plants, which extend right down to the seashore.

Says Yudi Soetjiptadi, "We are indeed thrilled to host the second instalment of the Cyprus Gaming Show at the GrandResort which is rightfully proud of its unparalleled conference and incentive facilities, which include one of the largest hotel-based congress halls on the island. And with an agenda set to pull in the gaming crowd from Cyprus and its surrounding regions, me and my team are ecstatic to produce and execute another successful event."
